Note: Generation 1 osfree.org not here now but links will redirect you to correct place

First generation osFree.org consist of index.html file with frames descrioption, one (later - two) static page and set of pages by topic.

Static pages:

```
|index.html          |frames description and start page|
|top.html             |top frame (was added later) with osFree logo|
|menu.html           |navigation frame|
```

Topic pages:

```
|start.html            |news page|
|objective.html     |project desctiption page|
|developing.html |developers gudelines|
|licence.html        |license page (note, file name misspelled)|
|members.html    |list of osFree members|
|download.html    |download area|
|contact.html       |contact information|
```
